Now You Can Enjoy The Beach Like You Never Have Before!

The **Wheeleez Beach Cart** and **Folding Beach Cart** are perfect when you have a lot to carry to the beach. They can carry your cooler, chairs, beach gear, even tackle and fishing rods. Now transporting "all" your gear at once over soft sand, pebbly beaches or mud can be done much easier. The secret is in the "patented" soft plastic pneumatic wheels - the only carts on the market designed specifically for use on soft sand as well as uneven terrain. **WE GUARANTEE IT WITH A FULL ONE YEAR WARRANTY!** Both carts are incredibly versatile and ideal for use in gardening too, so you don't have to worry about damaging your lawn or flower bed. We also have the **Roleez Canoe / Kayak Tote, Wheeleez & Roleez Wheels !!**

WHEELEEZ BEACH CART **\$299.00** msrp \$336.00

The **Wheeleez Beach Cart** is easy to travel with or store because the handle bar and rest bar fold & the wheels & axle can be quickly removed, without tools, for compact storage & transporting. Optional fishing rod holders may be attached on one or both sides of the Roleez Push Cart & can be quickly attached or removed in seconds.

Specifications

Body: 11" H x 36" L x 18" W **Maximum Cart Width:** 37" (with wheels attached)

Wheels: pneumatic 16 1/2" H x 7 1/2" W **Maximum Pressure:** 4 psi

Cart Weight: 39lbs (17.6kg) **Carrying Capacity** 220 lbs

FOLDING BEACH CART **\$209.00** msrp \$241.00

The Folding Beach Cart has the same quality and ease of use on sand or soft surfaces and is the ideal beach cart to use when you don't need the larger capacity of a Wheeleez® Beach Cart. The Folding Beach Cart is the perfect cart for carrying a round or rectangular cooler for soccer, volleyball, surf fishing or just your beach gear. It folds compactly for storage & fits even the smallest car. It's also the perfect "utility cart" for use at home on any soft or hard surface.

Specifications

Body: 28" L x 14" W x 7" H (folded) **Wheels:** 11.8" H x 7" W **Maximum Pressure:** 4 psi

Axle: Stainless Steel **Fame:** Epoxy powder coated **Carrying Capacity:** 170lbs **Cart Wgt:** 23lbs
